Menu And Pricing Selections

Soups - Salads - Appetizers - Platters - Entrées - Sides - Desserts

Here is how it works. We understand planning and booking an event can be stressful and confusing sometimes. Our main goal is to make the task of catering as simple as possible. Unlike many locations we have no "room charge" for using the room. As long as you spend a minimum of \$600 for your banquet menu selection, the room is free! The prices shown are all shown per person on every item.

(ex: 20 people x \$30=\$600). (An 18% gratuity for the staff and 9% Vermont meals tax is added to all banquets and not counted toward the minimum.)

You can easily calculate the cost of your event from the prices and event request form in this menu. Complete hot buffets start at \$19 per person, but we also offer sandwich, pasta and salad options for less. We can help mix and match items for the perfect menu and price.

Although all the buffet packages are a complete meal, we offer a wide assortment of soups, salads, sides and desserts to compliment your menu selection. All of the buffets include our fresh baked dinner rolls and butter at no charge, and for just \$3 extra per person we can add a great salad bar to your event. Whatever you choose, we guarantee the best possible food and service, at a great price.
